

## **Cascade Crest 100: Driving Directions** - Crew Accessible

If rocking a smart phone, plug the GPS coordinates into Google maps and then follow the navigation, using the written directions as an added guide. Read all directions below carefully as there are a few washouts that Google maps isn't aware of.

**Start / Finish**: Easton Fire Station, 180 Cabin Creek Road, Easton, WA 98925. (47.233700, -121.176200)  
Exit 71 off I-90. Head south off of exit. At stop sign, cross Railroad Street and continue onto Cabin Creek Road, curving left up and over railroad tracks to see big red fire station. Follow parking attendant instructions.

### **Tacoma Pass** (47.205100, -121.310220)

Note: Zero odometer from south side of Exit 62 overpass. If using GPS/cell-phone navigation, drive to Exit 62 and **follow NF-52 / NF-41 option**. NF-41 is washed out (not passable) 5 miles from Easton.
